4. Respect the time and effort put in by your coaches and officials. They deserve your support and full commitment.

9. It is expected that you will always be on time for training. You are also required to be at the game at least 30 minutes before the scheduled starting time to allow time to prepare for the game.
10. Wearing of correct uniform, at all times, is essential. According to the rules of the game you may not be permitted to take the field if incorrectly attired.

16. When representing your Club you must do so in such a way as not to bring the Club into disrepute. This includes your behavior at any Club function, particularly when exposed to public scrutiny.
17. Any problems regarding selections or playing should be referred, in the first instance, to your Team Captain and then your Playing Captain. Any other problems should be discussed with the appropriate Vice President.
18. Each player has umpiring obligations. You must fulfill this duty or find a replacement.
